

Vertical Installation

The drawing illustrates the vertical installation of a rectangular panel. The side view shows a panel with a total height of 800 and a width of 514. The panel is divided into seven vertical sections by six vertical lines. The top and bottom edges are marked with a dimension of 25. The top edge also features a small square symbol indicating a 90-degree angle. The bottom edge has a dimension of 70. The top view shows a rectangular panel with a total width of 70 and a total height of 11. The inner width is 59. The corners are rounded with a radius of R5.5.

Tappings	: 514mm.	Tappings	: 750mm.
Tappings from wall	: 40mm.	Tappings from wall	: 40mm.
Distance from wall	: 69mm.	Distance from wall	: 69mm.
