STRIKING PAINTS FOR CAST IRON RADIATORS

Based on a range of metals the Paladin Colour palette is created to give you a truly classic look, using any one of the 10 unique Paladin Colours is popular way to achieve the look you want. Cast iron radiators do lend themselves to darker colours with the Natural Cast and Old Pewter finishes being amongst our most popular choices. The Copper and Gold's are also fine colour choices if you require rich and handsome colours to compliment your colour scheme. Whatever colour you choose the Paladin Colours have been carefully chosen and custom mixed just for Paladin they are hard wearing and washable and add a stunning metallic look to your cast iron radiators.

Our standard finish is Eggshell but we can also offer the whole range of finishes from matt to full gloss on request.

Colour Matching

CHOOSE A GREAT CUSTOM FINISH FOR YOUR CAST IRON RADIATORS

If you are looking for something different we are happy to offer our Colour Matching service where we have the facility to match almost any colour available. This includes the ever popular RAL colour ranges as well as BS colours or, if you have details of the colour you require, we can match it as closely as possible. You can also send us your colour swatches.

Our standard finish is an Eggshell but if you want a Full Gloss, Satin or even a Matt finish just let us know.

Hand Polishing

POLISHED PERFECTION, THE ULTIMATE FINISH

Polishing offers what can only be described as one of the best finishes you can buy. Hours of work go in to each section to create an amazing handsome finish that you will always be proud of. Using traditional methods, our skilled polishers work each section of your cast iron radiator to accentuate its beautiful unique detail.
